### TRANGIE GOLF

On Saturday we played for the Fitzgerald Shield with Neil Fitzgerald playing a blinder to have his name inscribed on the family shield.

Better player than you brothers, well done.

Ball winners were Greg Rankmore, Ted Brennan,

Bruce Fiddock, Geoff Irvin, Chris Brennan, Buck Anthony and Captain Fuzzly.

Brett Norman won nearest the pin with Brett and Greg Rankmore sharing the birdies nest.

On Sunday it was a mixed foursomes day with Mike Welch and Pam Ferrari winning the A grade from David

and Amanda McMillian. Patrick and Wendy Fitzgerald won the B grade with Ray Hohnberg and Lyn Hookie Kohlenberg winning the McMillian sponsored trophy.

Nearest the pin were Coral Wake on six and David McMillian on three.

Congratulations to all winners.

Next week is Donny McKinnon's trophy, a stroke event.

Captain Fuzzly said to remind golfers that it is not too late to impress him for a spot in the Pennants team.

But he told me to not even try and impress him.

## Officer gives a lesson in plight of the hunting dog

Primary students from Trangie Central School were recently lucky enough to have a visit from the Painted Hunting Dog Conservation Trust Australian project officer John Lemon.

The trust, which operates in

Zimbabwe, educates students and locals in Zimbabwe on the plight of the painted dogs who are currently facing the threat of extinction.

John, a former game keeper from Western Plains Zoo, showed students photographs

of his most recent trip to Zimbabwe and the conservation work carried out by the trust.

Further information on the painted dog can be found on the website [www.painteddogconservation.iinet.net.au](http://www.painteddogconservation.iinet.net.au)
